

TY COBB STRIKE OFF; TIGERS PLAY TODAY

Club President's Appeal, Followed by That of "Georgia Peach," Induces Players to Return to Their Jobs.

By International News Service.

HILADELPHIA, May 20 .- A score or more of sun tanned athletes, calling themselves the "T. A. R.," and grinning all over By International News Service. their smooth faces, pulled out of this city at 8:25 o'clock tonight INCINNATI, May 20.—Rube Marwith the remark, "Just watch us."

"T. A. R." undoubtedly needing translation, means "Tigers f the American Revolution," otherwise the Detroit baseball club of the Phelan, American league, which has been on strike since its star outfielder, Ty Cobb, has been under suspension.

The strike is off. The Detoit boys-all but Cobb-were heading, when they left here, for Washington, where tomorrow they will play the Senators. And they will not go barnstorming to Japan and other points far distant, but will remain right in their own league and play out the season and live up to their contracts and not smash up big league baseball in general.

Both Sides Satisfied.

Both slies—the league and players— 'alm a victory, President Johnson said

Both slices—the league and players—calm a victory. President Johnson said tonight:

"Well, Cobb is still suspended and the team is back at work. That's enough for us. The men will be fined and Cobb will remain under suspension as long as the league deem it pecessary.

Jim Delebanty, George Morlarity and George Mullen of the players unanimous-be agreed upon this statement:

"We're not going to lose anything; our fines are going to be paid; Cobb is going to be back with us soon; they're going to lee back with us soon; they're going to protect us against insult from the stands and we're going to show the fans a real ball-playing club. We hope Washington works Walter Johnson tomorrow, the best plicher they've got. Watch us."

What really relieved the whole situation was the boyish affection (for they are all just grown-up boys) that the members of the Detroit club have for Frank J. Navin, owner and president of the organization and for Tyrus Raymond Cobb, their team mate, who, they say is the best ball player the world ever say.

Navin and Cobb both made persons appeals to the Tigers to get back int the game and let the New York incider be settled by the authorities of th league. Navin explained that if they de serted him it would probably mean rul

Cobb Urges Surrender.

After Navin had been heard in grave silence. Ty Cobb said:

"Fellows, my advice to you is to stick by Mr. Navin, who is one of the best triends we all have. I can't tell you how much I appreciate the way you have backed me up and stuck by me, and I know you'd go through the finish with it—but I don't want to take the responsibility of having all you good fellows fined and blacklisted and all that. So I hope that if you can see your way

The ball players who stuck by Cobb when he was laid off for punching a New York spectator, who insulted him, reached an agreement today with President Navin of their club and President San Johnson or their league. It was a compromise and substantially on these terms:

Cobb is to be reinstated and take his place in the Detroit outfield within a very short time—perhaps two weeks are you will get the terms. But along with that it east no longer than may be necessary to uphold the dignity of the American league's president. The striking athletes personally are not to suffer the fines which the league will inflict upon them. These will probably to fire definite arrangement is to be made whereby a bull player need not be made whereby a bull player need not be made to loterate vile abuse from spectators the many be aggreed against him or may be aggreed against him or may be aggreed to the opposing club. This striangement will either be a rule of the players—all the owners of various clubs to have their grandstands and bleachers pairwise fan.

Path Sides Satisfied.

Skyscrapers Defeat Ogden, 12 to 7, in Game at the Junction City.

Special to The Tribune.

OGDEN, May 20.—In their first clash of the Union association season the Sait Lake Skyscrapers were easy victors over Manager McCloskey's Ogden club on the Glenwood park grounds this afternoon. It developed into a battle of blows, in which the Mackmen exceeded the visitors by one safe clout, but Buck Weaver's gang beat the locals, 12 to 7.

Although the contest was pushed up from September 3 and booked as a booster game for the Ogden club, less than 350 fans attended.

Andy Jensen was given a rest following the Friday game with Butte and it was expected that he would show something akin to speed, but in less than one inning the Peach City southpaw passed the first man and was pounded for a double and two triples. When the fourth run came over, McCloskey sent "Jimmie" Jachs to the rescue.

Pendleton was the first to face Jachs and landed a clean single, scoring the fifth man. "Billy" Fortier," who gave his battling average an awful boost in this game, started another hitfest in the second.

NEW YORK. May 20.—The bout be-tween Sid Burns of England and Mike Globons of St. Paul, set for Madison Square Garden tomorrow night, has been called off, owing to the illness of Burns. He has been ordered to stop training, owing to stomach trouble, and will not be in condition for at least three weeks.

MILLER TO WORK OUT IN PUBLIC TOMORROW

Local wrestling fans, who wanted to see Walter Miller of St. Paul in action before he goes against Mike Yokel in their finish match at the Saltair Hippodrome next Monday night were disappointed when his scheduled exhibition at the Garrick theater had to be called off. Miller was to have appeared last night and tonight in connection with the burlesque show which has been running there. Yesterday the show closed, so, of course, Miller didn't give any exhibition. Harry Heagren is now trying to strange for Miller to work out at some public place one or two days this week.

The referee for the Miller-Yokel bout has not as yet been selected. Several names have been suggested but the wrestlers have been unable to agree on any one of them. Yokel is always careful about the third man on the mat and Miller is doubly cautious because he realizes that he is in Yokel's stronghold and that almost every wrestling fan here is a personal friend of Mike.

Both Miller and Yokel trained faithfully yesterday. Miller did his work at the Y. M. C. A. while Mike did his road work at Ogden. Miller is already in perfect condition and is going to ease up in his work. Yokel, too, is also in good condition and ready to do his best.

The sale of seats opened with a rush at Stickney's yesterday. The sale for the first day shows beyond all doubt that a record-breaking crowd will be present at the match next Monday night. Heagren has arranged for excursions to take care of the fans who will come from Ogden and Bingham. He has secured a rate of \$1 for the round trip from both places and the Bingham rate will be good for three days.
